Subject: NSA Documents

Body: Christopher, would you please take this for action, as you wrap things up with our NSA P.O.C. Please keep Tom and Eileen informed of developments as things come together, particularly total numbers and release dates.To: Douglas Horne/ARRBcc: Chris, Eileen Sullivan/ARRB From: Tom Samoluk/ARRB Date: 07/01/97 10:44:26 AMSubject: NSA DocumentsWe are still interested in the status of the NSA documents. I spoke to David about doing a news release. He said we could do one, but we cannot characterize the documents in any way. Please advise me of the current status of the documents and when you think they may be ready to go to the Archives and for us to do a news release. As you are aware any discussion of "press" or "news release" should be kept internal, as the topic makes the NSA uncomfortable. Of course, after we have the documents all ready and before we actually do our news release, we will talk to NSA. Thanks.
