Subject: Jefferson Morley

has probably returned from his vacation, although he has not contacted me regarding an ARRB review of his research findings. I will call him and try to schedule something for next week. Please let me know what your schedules are like so that I can arrange a time and place that is convenient for all. Be advised that I will be out of the office Monday and Tuesday next week (TDY- Tallahassee), and will use another day to visit CIA-IP.
