**Subject:** fax to Tom Alyea  
I was having trouble getting through to Alyea by fax, but I heard him answer on the other end. I called him to let him know that I was trying to fax something to him. (A very cordial) Alyea told me he was just leaving for the weekend, and when he goes away he disconnects everything in his house. So by that point he had disconnected his fax, and asked that if it was not an emergency, could I please send it on Monday. I said that was fine.
