Subject: Re: future

Tom, I was delighted-and much releived- to hear that discussions were provingfruitful. I recognized from the beginning that flying back and forth could bea costly business and suggested that travel expense might be a usefuladdition to increased income. I also hope that you are discussing the kind ofresponsibilities you and Jeremy will assume. I'm sure all of us would like to "do something" for David. I suggesteddinner, Henry a gift (since he never stays for dinner) and Bill a general all-purpose "party" for everyone. I like his idea too. What do you think? One more thing - strictly off the record. I'm concerned about Tracy who wasthe one person directly involved with David and not with Jeremy. She is a veryimportant person for us and I shudder to think of closing down without herknowledge and ability. I know other Board members feel the same way. I had tospeak to her about something else and heard a note of concern in her voice.I know she enjoys working with you so perhaps her concern will be assuaged. Anna
