Subject: Tip From NASA Friend

Tracy:My friend over at NASA told me that when he has frequently had an astronaut assigned to him to work the Hill, requiring the individual to be in Washington a few days a week for prolonged periods of time (several months at a time), they have put people up at something called "Capitol Hill Suites," located at 2nd and D, SW.

Body: He thought that was the name. At any rate, it is reportedly respectable and reasonable. Tom
