Subject: Sept. 15 report

This is a very preliminary update:1. We have not received any Secret Service documents since the August 5, 1997 Review Board meeting. If you need my memo describing the results of the August 5 meeting pertaining to Secret Service issues, let me know. (Eileen: If we have not yet announced the March-November 1963 protective surveys for President Kennedy, we can now say that these are open at NARA.)2. Eileen or Kevin might be able to give you a sense of the number of HSCA documents from the June, July, and August meetings.3. So far, we have 32 consent releases of HSCA documents for the September 17 meeting, and two green documents (SSNs).
