Subject: USSS records

We just received some Secret Service records from John Machado. A short history follows:On January 6, 1997, we requested Robert Bouck's files(SS-11). We asked for a response by February 12, 1997. On May 19, 1997, John Machado dropped off the Service's response to our SS-11 request. Today's delivery is a surprise since I had assumed that the Service had completed its answer 4 months ago. The Service has presented us with additional records pertaining to Robert Bouck and PRS activities, which the Board will be able to review at the October 14 meeting.
