Subject: Collect Calls from Mr. Custer and Mr. Reed
We have subpoenaed the two x-ray technicians who were present at President Kennedy's autopsy. They have been directed to call me, collect, prior to close of business October 6th. The timing of when they will actually call is uncertain because our letters to them went out Monday via registered mail, which can be very slow. If they call and I am not at my desk, it is imperative that I be paged. If I am not in, please transfer the call to Jeremy (in his capacity as General Counsel). This is a very sensitive matter, and we want to do all we can to be cooperative with these witnesses when they do finally call. If Jeremy and I are not in, please ask them to leave a voice mail telling me when I should call them back. Thank you.
