**Subject:** Jack Anderson/interview questions

These are the prelim interview questions that I prepared for TJG earlier this summer. I also have a file which contains what I believe are all of the Anderson-JFK-Rosselli columns, and a very interesting set of notes taken during an HSCA interview with Anderson. Please let me know when you can meet to discuss this. To: Jeremy Gunn/ARRBcc: Kevin Tiernan/ARRB From: Manuel Legaspi/ARRB Date: 07/08/97 11:45:41 AM Subject: Jack Anderson/interview questions

1. How did you go about ascertaining the veracity of the Roselli information? Did you utilize sources inside the FBI, CIA, Church Committee or Rockefeller Commission? (We, of course, would not be asking him to reveal the identities of his sources -- we just would be asking him if he verified the information through government sources.)

2. Did you have any other sources "inside" the Mafia that confirmed the Roselli information?

3. Was Roselli Edward Morgan's only client (in these matters)? Do you know if Morgan also represent Robert Maheu and Sam Giancana? Morgan has stated that he learned about the Castro plots from Maheu, although it is unclear if Morgan did any legal work for him (Maheu).

4. Did you have "inside" Cuban sources who confirmed the "JFK-turnaround" plots?

5. Are you in possession of any notes or transcripts that you would be willing to donate to the JFK Assassination collection?

6. Can you provide us with any information regarding access to official records (e.g., CIA 1967 IG Report, Church Committee documents) that you might have seen prior to you writing the columns dealing with the Castro assassination plots or other JFK assassination-related topics?

7. Can you give us any insight as to important documents that we should request from relevant government or private entities?

8. Gaeton Fonzi, Danny Hardway, and Edwin Lopez were of the opinion that Anderson changed the tone of the articles which revealed the Castro assassination plots after he was "talked to" by CIA-types. In his first article on the assassination attempts, Anderson indicated that the people the CIA sent to kill Castro killed Kennedy on their own; in his subsequent articles (seven years later, after the death of Roselli), he states that the men who were sent to kill Castro were turned by the Cuban dictator and ordered to kill JFK. Perhaps we can ask him about this angle...

9. Do you remember if Edward P. Morgan (Rosselli's lawyer) was present during all of your discussions with Rosselli? What kind of role did he play in these discussions? Did he (Morgan) approve or disapprove certain discussion topics? In your mind, did Morgan's presence add to Rosselli's credibility?
