**Subject:** Document Referrals

Unless you have already done so, could you send a short memo to Tom (cc: me) on your understanding of the status of the Ford Library referrals?Thanks.To: R&Acc: From: Tom Samoluk/ARRBDate: 10/01/97 05:03:30  
PMSubject: Document ReferralsI would like to get a quick update on where we stand currently on referral work that is being done by the ARRB staff. (For example, I mean to include HSCA or Eisenhower Library referrals for which we are responsible, and not FBI referrals to other agencies for which we are merely sending "dunning" letters.) If you have had any responsibility for referrals, please send me a short note explaining what you have been involved in and what you understand needs to be done.As a hypothetical example:HSCA 47 documents have been referred to CIA, but not returned 22 have not been referred to CIA, but need to be. 1 document referred to Postal Service but with no response. etc. etc.Once I have collected all of this information, I would like to have a meeting to discuss where we need to go from here.For those on CIA and FBI teams, please coordinate through Bob and Laura. For SS, HSCA, State, NSA, please go through Michelle. For LBJ, please send it to me directly.Thanks.
