Subject: Re: Jack's Availability for Ballistics Meeting on Wed., Octo
 tom. I am not sure that I can stay for the morning of the 14th. Monday is a holiday and Friday is filled with motions and sentencings. With the Board meeting on Tuesday, staying for Wednesday would leave me only one day for my ongoing criminal trial next week. To keep it moving, I have got to have two days of trial. Do you think there is any chance of the 14th, even later in the afternoon? Or even on the 13th, even though it is a holiday? Please advise. Thanks. JRT _____ Reply Separator
 _____ Subject: Jack's Availability for Ballistics Meeting on Wed.,
 OctoberAuthor: "Tom Samoluk"<Tom_Samoluk@jfk-arb.gov> at ~InternetDate: 10/3/97 3:53 PM I left a voice mail message for Jack on this matter, but thought I would send an e-mail, too. The Deputy Archivist cannot meet on Tuesday, October 14, but can meet on Wednesday, October 15 at 11:00 a.m. I have told Steve to hold that time and I will get back to him on Monday with a final answer on Jack's availability. I wasn't sure if a meeting this late in the morning would work for Jack to get a flight back home. I should note that there is a possibility that the CIA intercept meeting could happen on the afternoon of Tuesday, October 14, followed by the ballistics meeting with the Deputy Archivist on Wednesday, October 15 at 11:00 a.m. Question: If there was not a CIA intercept meeting on the afternoon of the 14th, would Jack still want to stick around for a ballistics meeting on the morning of the 15th? Please advise me of what you think. Thanks. Tom
