On May 16, 1997, and June 12, 1997, I sent 75 OMB and Treasury records to Jane Vezeris. I asked for responses on June 18, 1997, and July 11, 1997. On August 19, 1997, John Machado sent a letter stating that the OMB documents were stamped and open. In a subsequent conversation with John, I discovered that not all the OMB documents were open and that the status of the Treasury documents was unclear. On September 7, 1997, I asked John to send me a copy of the lists of RIFs for the referred documents with check marks next to those documents the Service was still reviewing. He said he would; he has not responded.
