**Subject:** NSA demo

Please be advised that I have scheduled a meeting with relevant staff from the NSA on 21 Oct 97. We should probably talk before we meet with them to discuss review issues. Tracy, please see item 2 and advise. Thanks. CALL REPORT Document's Author: Manuel Legaspi/ARRB Date Created: 10/14/97 The Players Who initiated the call? Review Board's representative in the call: Manuel Legaspi National Security Agency (NSA)'s representative in the call: restricted Description of the Call Date: 10/09/97 Subject: NSA demo Summary of the Call: Our NSA poc telephonically contacted me at 1530, 09 OCT 97 to further discuss the demo which was proposed several weeks ago by ARRB staff. A full report follows: 1. She indicated that the two staffers involved with JFK issues could visit ARRB HQ on several dates. After floating several suggestions, we agreed that they would visit on 21 OCT 97 at 0930. I informed her that the meeting would focus more on a discussion of review issues in the current batch of documents rather than the review track "demo," although we would still hold the demo for them. She agreed to that format. 2. She informed me that several minor administrative issues would need to be addressed before they could come over, the most important of which involved the sending of clearances from the NSA to the ARRB. I told her that I would speak to our administrative staff to clarify just what was needed of them before meeting, and that I would get back in touch with them ASAP. ENDDon't forget to compose individual Action Item documents for any action items that resulted from the call!
