Subject:	Re[2]: CIA Issue
Body:	I would like to know what they are doing about it, as soon as possible. Also, Tom was going to try to setup meetings (both CIA and NARA re ballistics) on a date in the next several weeks. Do you know what path the CIA is following on this one? With your agreement, Iwill tell him that you would like to talk to him about it at the time ofthe next Board meeting, which would give CIA the chance to move on itduring the next month.
