Subject: Re: Re[2]: CIA Issue

Body:
Pereira has told me that the issue has been addressed to the official at the agency who is responsible for handling the matter. That person was informed that this is not a routine matter and that the agency wants this to be handled appropriately. That person was asked to report back and advise whether there should be a meeting in Washington or at some other appropriate location. Pereira has assured me that it has the attention of the appropriate persons.To: Jack_Internet @ jfk-arrb.gov, Jeremy_Gunn @ jfk-arrb.govcc: "Tom_Samoluk/ARRB%ARRB" @ jfk-arrb.gov (bcc: Jeremy Gunn/ARRB)From: Judge_John_Tunheim @ dcn.uscourts.gov @ INTERNET @ INTERLIANTDate: 10/15/97 10:41:36 AM ASTSubject: Re[2]: CIA Issue I would like to know what they are doing about it, as soon as possible. Also, Tom was going to try to setup meetings (both CIA and NARA re ballistics) on a date in the next several weeks. Do you know what path the CIA is following on this one? With your agreement, I will tell him that you would like to talk to him about it at the time of the next Board meeting, which would give CIA the chance to move on it during the next month.
