AMJack:I will start working on this trip and timing with Debbie. I will check on status of Cuban documents; I
have not heard anything about them. We can work out the best format, as we focus on the trip in the coming
weeks.TomTo: Tom_Samoluk @ jfk-arrb.govcc: (bcc: Tom Samoluk/ARRB)From: Judge_John_Tunheim @

aside almost any date for the trip 6 weeks or so in advance. I guess I would prefer to do it on a Friday for less
disruption to the trial week, unless you think a different day would be better. For a trophy document, are we
making any progress on Cuban documents? I am open to whatever format you think works best. I would also
probably consider having one other Board member go with me, along with you and perhaps Eileen. Let's try to
talk by telephone in the next week about this. You could call Debbie and set up a time that will work with my
trial schedule. Thanks, Tom. Jack _____ Reply

developments on the Miami front. Any focus on it was overtaken by the transition and the subsequent new
responsibilities that followed the transition. However, I understand that this is something you want to do and I
will now put it back at the top of the list as one of our priorities.I see the following as the necessary steps:1.
Pick a date for the trip (we would need about six weeks to plan, I believe)2. Decide on format (mini media tour
visiting local media or press conference)3. Come up with a newsworthy announcement with which we would
go to Miami; our news hook would be to announce a "trophy" document or set of documents that would be of
interest in Miami and which we could display to encourage people to come forward with recordsPlease advise
me on possible dates that you could make such a trip to Miami. If you want to talk about the trip, please advise
me of a convenient time for us to do that.Re CBS: the tapes I watched of original 11/22/63 coverage, as well as
the early specials are a great look at history. I hope we stay on track to get them into the Archives.I hope the
trial with your pro se defendant is going well.TomTo: Tom_Samoluk @ jfk-arrb.govcc: (bcc: Tom

press regarding our search for records. I cannot do it too late in our tenure, then there will be little time to
