Subject: "Mission Possible, Part II: The Taplin Film"

Christina: The Taplin film processing is done at Color Lab. I would like you to complete this mission and pick up the film on Monday, October 27. The film order will be under "Assassination Records Review Board." You will be picking up the following: 1. The original 8mm film 2. (2) D2 copies of the film 3. (3) VHS video tape copies of the film Please make sure that Color Lab provides you with everything listed above that we are supposed to get back. I've attached the other e-mail with all phone numbers, etc. Please call me if there is any problem. I would appreciate it if you could e-mail me on Monday upon the completion of your mission. As always, thanks for your assistance in handling this important film. Tom To: Christina Mays/ARRBcc: Tracy Shycoff/ARRB, Eileen Sullivan/ARRB From: Tom Samoluk/ARRB Date: 10/06/97 04:19:58 PM Subject: Directions - Metro to Color Lab to Deliver 8mm Film Christina: Thank you for your help. Per our conversation today, here is what I am asking you to do: Mission On Tuesday, October 7, please deliver the Taplin film to one of the contacts listed below. (Tracy and Eileen know where the film is in Tracy's office). Get the signature of the person accepting the film on the receipt. Take original receipt and ask if they want a copy for their files. The receipt is attached to this e-mail. Please print a hard copy of it on our letterhead to bring with you to Color Lab. The trip will involve taking the Metro out to Twinbrook on the red line and then about a 5-7 minute walk from the Metro stop to Color Lab. Destination Color Lab, Inc. 5708 Arundel Avenue Rockville, MD Contact: Russ Suniewick or Kevin Fallis, (301) 770-2128 Take Red Line (Shady Grove line) to Twinbrook Metro stop. Go down the Metro escalator, then go left, walking near a parking lot. Veer right following as the street flows. Come to first cross street at intersection with traffic lights. Walk straight through the intersections and cross Twin Brooks Avenue. Go one more block to Washington Avenue (no light at this intersection) and take a right onto Washington. Walk two blocks and take a right onto Arundel Avenue. About half way down this block on the left is Color Lab, Inc., located at 5708 Arundel Avenue, a gray building. If you have any problems with directions at any point, please call Color Lab at the number above for directions. Thanks. Here is the receipt for you to print on letterhead: Again, thanks. Let me know if you have any questions. Tom
