Subject:	HSCA project
Body:	I'll be at NARA II when you get in today, back on the 4:00 PM shuttle. After a brainstorming session yesterday morning with Jeremy, we decided to undertake a new visual survey of the public Numbered Files at NARA II. Ben and I went up yesterday and got 20 boxes done in two hours. Two others are scheduled to join us today, and I am cautiously optimistic that we can get through the 297 boxes by the end of Thursday (when I leave). Emphasis on "cautiously". Since the inter-filing has been done, this seemed like a useful way to go.See you at the end of the day.
