Subject: Vietnam Docs

As we continue to prepare for the release of these docs on Tuesday, November 18, it would be helpful if you could give me some background information. The log on the docs has been very helpful. Now, for the press release, I want to be able to give some info on how we found the docs, where they were, who was helpful, etc. If this information already exists, please advise. If it does not exist, I could use a one pager from you. Thanks.
