Subject: Most recent HSCA documents returned by Debbie B.
Here's the breakdown on the most recent slug of FBI-returned HSCA records, along with their intended disposition/handling: Straightforward consent releases 8(I will put these in Consent database for next Board meeting) FBI-returned but requiring DOJ referral 2(I will chat with Ron about these, and one of us will do a letter) FBI cleared, CIA equities outstanding 2(one of these in Review Track already and I have asked Bob for a status report, the other has been referred to CIA as of today and is expected back in short order) FBI has requested postponements in record 1(Kevin will process in Review Track for next Board meeting) Total 13(in addition, one record returned in this batch was from the FBI Case Files and either Kevin or I will see that this gets to Steve Tilley) Any questions or corrections, let me know.
