Subject: documents
Tom, I have been asked to contribute some documents (before and after) and comments to the OAH Newsletter. Kermit, you will remember, wrote a long piece about the Board which attracted a certain amount of attention so I thought this a good thing to do. I thought one from NSA, our favorites from FBI, a good one from the Califano collection would do nicely. But I need something brief, but juicy from the CIA. Any suggestions? Anna
