**Subject:** Congressional Issues  
In connection with your meeting with Burton's staff, I want to update you on the response of the House Clerk with respect to certain Congressional Committee records (namely, HUAC, Abzug, and Edwards Sub-Committee). On November 20, the Clerk's office called to say that our request for access to certain Congressional records would be referred to the Committee on House Oversight and that we would receive a formal letter to that effect (we have not yet received such a letter). I believe we have worked with the House Oversight Committee previously in connection with release of HSCA records.
