**DeliveryPriority:** Thank you. I think Jim can make arrangements to go on Monday. I've cc'ed Doug. Doug - did you tell me that Jim would be able to make the trip? Please advise. Thanks. **DeliveryReport:** Steve is comfortable with the timing. He said I should call Susan Cooper tomorrow so she has as much lead time possible. He said that the sooner the documents are transferred the better, so his staff has enough time to get them ready. He suggested a Board/staff member bring them up on Monday. I told him I did not know if anyone going to the Archives that day would be coming to our office first, but we will work something out to get them to him as soon as we can.
