The areas you raise in your e-mail are research questions that would be better addressed to the National Archives. As you may be aware, the JFK Collection is on-line and searches can be conducted for particular names or areas of research. If you have specific suggestions regarding records that you think the Review Board should be searching for, and which are not already in the JFK Collection, you can write to us and your suggestions will be reviewed.Again, thank you for your e-mail.To: Tom Samoluk/ARRBcc: From: Eileen Sullivan/ARRBDate: 12/22/97 10:57:23 AMSubject: Re: JFK FilmTom:Can you decipher anything from this message?Thanks,EileenTo: Eileen\_Sullivan @ jfk-arrb.govcc: (bcc: Eileen Sullivan/ARRB)From: RCrane9621 @ aol.com @ INTERNET @ INTERLIANT Date: 12/22/97 07:59:30 AMSubject: JFK Filml was curious about the names Guthrie-Bernard, of any involvement in theassasination.
