David:Happy holidays. Some type of acknowledgment is necessary. One sentence will do.

David:I have read several of your lengthy postings in the JFK Newsgroup on a range of topics (Vietnam documents, Cuba documents, Nightline) in recent days. Please take a few minutes to write to me on the status of the audio tape dubbing project.  
Thanks.

David:It has been quite awhile since we communicated regarding the audio tape dubbing project. Please provide me with an update on what has been done to date, what has to be done, likely completion date, when you think we will receive the tapes, and any other information that you can provide. A list of interviews that have been dubbed and what remains to be dubbed would be very useful.  
Please acknowledge receipt of this memo, even if you do not have the immediate information and need to get back to me later with more details.  
Thanks.  
Hope all is well.  
Tom
