**Subject:** Scheduling Experts Conference on Declassification-Secrecy

During the Annapolis meeting I suggested that the Board's may wish to hold an expert's conference on issues such as declassification and government policy on secrecy. I would suggest that it be a day-long discussion among a group of experts who could make suggestions about possible recommendations that the Board might make in its final report. For reasons of cost and convenience, it would be useful to schedule the conference in conjunction with a regularly scheduled Board meeting. I would like to propose that the conference be held on Monday, April 13, the day before the regularly scheduled Board meeting. (Easter is on April 12.) If you would like to attend such a conference, please let me know promptly if April 13th works with your schedule. If not, is Wednesday, April 15th acceptable? I would also like to hear your suggestions for people who might be invited to attend. I mentioned to you that David Garrow is very interested and that I think he would be a good addition. For the most part, it would be helpful (for cost reasons) if the invitees are from the Washington area.
