Subject: LBJ Library
I have about 8 LBJ Library documents that mention the JFK Library. Would you have a minute this afternoon to look at them to determine whether the Library needs to weigh in on these? Also I might be able to tell whether the Jackie Kennedy letters from the Warren Commission records that Sydney mentioned at the No-Name meeting are the same letters that have been released by the LBJ Library. I reviewed all of those last spring and I think I could probably recognize them. Thanks
