Please give me a complete update/status report as soon as you are ready. As I am sure you could tell, I was very disappointed on Friday to see how far you were from knowing the current status of Ford referrals. Based upon your statements to Laura and Tom about how much time you had devoted to Ford records, and based upon your statements at the last No Name meeting, I had presumed that the tracking work was largely done. I would like to get this nailed down promptly so that we can get as many documents as possible to the Board at the January meeting.
