**Subject:** IRS follow-up

Would you please do the following:Laura: make a short meeting report; read the Farand memo and advise whether there are answers to the questions Joe Urban was posing to you. Should you or Jeremy contact either Urban or Cummings? We should act quickly on this. After a couple of days, please call Bill Lovelace and try and schedule a meeting where you can go over redactions and Section 6.Ron: please draft an initial compliance letter to IRS and include categories you would like them to search. Although I don't want the letter to be overly cumbersome, consider whether we should repeat the items discussed at the meeting.Jeremy: draft short follow-up letter to Linda Stiff and send package of WC materials; send follow-up letter to Burton (as requested by Stiff)Cathy: collect one set of the agenda and exhibits and put it in the agency correspondence file. Add the sign-in names and numbers to the Agency contacts list.Kevin: be sure to get the WC records back to SteveThanks all. I think it was a highly productive meeting.
