**Subject:** Conference Call Scheduling

Board conference call availability is not good this week. The best time would be 2:30 on Friday. I propose holding off a discussion until the Board meeting next week. We will be sending a FedEx package out on Friday and I will send you an e-mail update on Friday. Unless there is a clamoring to talk at 2:30 on Friday, I will assume that we will not talk this week. I will send an e-mail Thursday morning confirming whether there will or won't be a call on Friday. Until then, Jeremy
