Subject: Original Pike Committee Records

CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 01/14/98 The Players Who initiated the call? Review Board's representative in the call: Ron HaronU.S. House of Representatives -- Permanent Select Committee on Intelligence's representative in the call: Bill McFarlandDescription of the Call Date: 01/14/98Subject: Original Pike Committee RecordsSummary of the Call:Bill McFarland of the Pike Committee called. They have obtained the original Pike Committee materials for our review, although the volume is not that great (2 boxes, I believe). Tracy will need to pass clearances for myself, Michelle, and Peter to the House Intelligence Committee. I need to call McFarland back to set up a time to inspect the records. Perhaps we could do it next week. In addition, I obtained Steve Tilley's permission to take the 3 archive boxes of Pike committee records in the JFK Collection so that we could compare the redacted with the unredacted documents (My sense is that, unlike the Church Committee, the House Intelligence Committee did not highlight what was redacted so we may have to determine that ourselves.)Don't forget to compose individual Action Item documents for any action items that resulted from the call!
