Subject: Board Meeting Guests

Nina Noring called and asked what time they should come "so that they aren't kept waiting" and how long they would probably be here. I told Nina I would consult with Michelle on this because she is working on this issue and would know approximately how long it would take. She told them to be ready to go into the meeting at 9:30 a.m. and plan for about an hour. Nina, Patrick Kennedy, and Peggy Grafeld are coming.
