Subject: January Congressional Letter

Tom -- Here is the FBI team update on our activities since December 29, 1997. The FBI team has negotiated 19,564 pages of records from the HSCA subject files with the FBI. The HSCA subject files that have been through the negotiation stage include Luis Conte Aguero, Angel Santos Bush, William P. Dalzell, James Henry Dolan, Hank Greenspun, Dennis Lynn Harber, William Johnson, Helen Leslie, Ilya Mamantor, Jack S. Martin, Leslie Dell Montgomery, Ivan E. Nitschke, George Nobregas, Frederick O'Sullivan, William D. Pawley, Nofio Pecora, Rolando Pelaez, William Robert Plumlee, Luis Rabel, Leopoldo Ducos Ramos, Dimitri Royster, Carlos Sanchez, Charles Sapp, William Houston Seymour, Clifton M. Shasteen, Helen Kay Smith, Sergio Arcacha Smith, William Stuckey, Robert Studebaker, William Waldeman, and Ralph Walters. Fortunately, the number of pages negotiated is back up near 20,000, and once a full month has passed since our last report (next Thursday), we should be pretty far beyond the 20,000 page mark. Kevin reported that the FBI had 1116 green documents from the January meeting. I defer to him on whether that number is the final one. If you have any questions or if you need additional information, let me know. Laura
