Subject: Question for Robert White

Body: Kim:I have learned that given the admission by White that he does, in fact, have dictabelts, a relevant question is does he possess any analog tapes? Based on what the JFK Library told me, there is analog tapes of meetings that they believe exist, but do possess. Thus, the possibility that Evelyn Lincoln took some analog tapes, as well as dictabelts. An additional question is does White possess any logs or other records relevant to the dictabelts or analog tapes. You may recall that I asked him about logs related to the dictabelts when we interviewed him. He said that he did not. I want to make sure we get him on record about this whole area.Thanks.Tom
