Subject: Next Joint Declassification Session

The tentative dates for the next Joint Declassification Session in our offices will be Tuesday-Thursday, June 23-24-25. It may be the last one. At this time I intend to invite CIA, NSC and State. (Army should not need to be here.) I do not know whether State (Nina Noring now, not Mr. Woodward) will attend the group session, or come by off-line as time permits. Records on the agenda should be: ONI Defector Records (now in our possession); and Mongoose and Selected JFK Library Records from the Joint Staff (not yet in hand). END
