**Subject:** Yet Another Undelivered Cable from State

Yesterday afternoon we learned of a cable that was sent from USEMBASSY Moscow to State on June 2. The cable is classified and we have not yet seen it. Apparently, the cable states that the only way Russia will move on JFK records is if President Clinton personally asks President Yeltstin. I believe that we need to: (a) make our displeasure to State known in an appropriate and productive way; (b) determine the best way to get this on Clinton's agenda; and (c) ensure that this is on the Gore-Kiryenko agenda.
