I should also have noted in my first message that I maintain a newsgroup via email that goes to over 100 people, not all of whom follow the public forums. Anything about the ARRB forwarded to me I will happily forward to the rest of my newslst as well. And if anyone at the ARRB is interesting in participating (or just lurking) in the list, they can subscribe by sending email addressed to: listserv@netcom.com <--note no "e" in "listserv" with a message that says only subscribe jfk-conspiracyThat will hook you in, but likely innundate as well! :)Lisa Pease----- If we will not fight for the truth now - when our President hasbeen shot down in the streets and his murderers remain untouched byjustice - it is not likely that we will ever have another chance.
