Subject: ARRB Information
Dear Ms. Sullivan, I currently teach a class on the assassination of jfk at Brehm PreparatorySchool. We would be interested in any information or documents you could sharewith us. This is our second year on the project but I personally have spentmany years doing research on this topic. We have been to Dallas twice so farand in January will be making our second trip to Notre Dame to interview Dr. GRobert Blakey. Also, if you could send us a schedule of any upcomingconferences we would appreciate it. Thank you very much for your time.
