Subject: ARRB Information
Dear Ms Sullivan, Yes, I would appreciate receiving updates and/or other information being made public by the ARRB. I have written to President Clinton regarding what I feel is the importance of your mission - I can only hope that the Board will act in the best interest of our nation by bringing forth information that will shed the clarity of light on matters that concern us all. Matters that have for too long unnecessarily been hidden and kept from the real power in a Democracy, the People. Thank You, Best Regards John C Austin
