Subject: Re: Final Determination Notifications
Thank you, I have the release of Dec. 20. It says that 197 CIA documents were being released. I am trying to get a master list of what is being released. I guess you are telling me that I will have to compile it myself. I appreciate that there are probably not too many immediate users of these releases like myself. I repeat however that just numbering your news and document releases would be a great help. Thank you for your attention. Yours Peter Dale Scott
