**Subject:** Assassination Records Review Board news release  
NEWS RELEASE FOR IMMEDIATE RELEASE CONTACT: TOM SAMUELSON MARCH 7, 1996 (202) 724-0088, EXT. 227JFK ASSASSINATION RECORDS REVIEW BOARD SUBPOENAS GARRISON RECORDS FROM NEW ORLEANS DISTRICT ATTORNEYThe Assassination Records Review Board announced today that it has subpoenaed records from the investigation into the assassination of President Kennedy conducted by former New Orleans District Attorney Jim Garrison. The records are held by current New Orleans District Attorney Harry Connick. Connick has failed to comply with the subpoena. A federal judge in New Orleans did not grant a motion by the District Attorney to quash the subpoena, and ordered the parties to arrange for a convenient time for the transfer of documents to the Review Board. Connick has failed to comply with the judge's order and the Board is now seeking enforcement of it. "The Review Board took this step to ensure that the public interest in these assassination records is protected," said the Honorable John R. Tunheim, Chair of the Review Board. "It is still our hope and desire to resolve this matter without lengthy legal proceedings." The subpoena required the District Attorney to produce all documents and records in [his] possession, custody or control relating to the assassination of President John F. Kennedy, including but not limited to handwritten notes, memoranda, drawings, photographs, tape recordings, and correspondence that relate to the investigation and prosecution of Mr. Clay Shaw by former New Orleans District Attorney Jim Garrison, with the exception of any grand jury materials still extant in the possession of the District Attorney's Office. Connick did not produce the records by February 16, 1996, as required by the subpoena. On February 16, Judge Marcel Livaudais, Jr., of the U.S. District Court for the Eastern District of Louisiana, ordered the Review Board and Connick to find a mutually agreeable time for production of the documents in New Orleans. Connick has failed to agree to a time to produce the documents. The Review Board filed papers today in the U.S. District Court in New Orleans seeking enforcement of Judge Livaudais' order. District Attorney Connick told the Review Board last summer that he would donate the files from Garrison's assassination investigation that remain in his office for inclusion in the JFK Assassination Records Collection. The subpoena was issued after the District Attorney had failed to forward the Garrison-era records to the Review Board during the last eight months, despite the Review Board's repeated attempts to encourage Connick to do so. The records are defined as "assassination records" within the meaning of the Board's governing statute, The President John F. Kennedy Assassination Records Collection Act of 1992 (JFK Act). Another matter related to the Garrison assassination investigation records is pending between the Review Board and District Attorney Connick. In July 1995, the Board received an unsolicited shipment of records that allegedly are Grand Jury Record
