Subject: Re: Have all Warren Comm. documents been released?
Dear Ms. Sullivan, thank you for your letter, and for placing me on your email list. I look forward to receiving further information from you. In your letter you wrote: >An advisory posted by the Assassination Records Review Board on February 14, >1996, stated that the Review Board voted to release 4 Warren Commission >documents. The advisory continued, "These Warren Commission documents are the >last documents generated by the commission itself that remain to be released in >full to the public." There are other 'agency referred' documents that have not >yet been released. This caused me a bit of confusion. 1) Is there any way to learn which 4 Warren Commission documents these are? 2) Is there any way to learn the names and ID numbers, and what the current status of the "other 'agency referred'" documents is? I have done some searching in the NARA database, but they do not appear to index Warren Commission documents and exhibits in any way that I can easily access. Consequently, I have not been able to learn the current status of the Warren Commission documents I wrote about earlier. The complete list, for reference: CD 212 - relating to Ruth Paine CD 218 - relating to Michael Paine CD 258 - relating to Michael Paine CD 508 - relating to Michael Paine's sister CD 600 through CD 629, regarding relatives of Michael Paine. Also: the Income Tax returns of Ruth and Michael Paine (classified 'secret' Garrison says in his book On the Trail of the Assassins) (Files relating to Oswald): CD 321 - Chronology of Oswald in USSR (Secret) CD 347 - Activity of Oswald in Mexico City (Secret) CD 384 - Activity of Oswald in Mexico City CD 528 - re: Allegation Oswald interviewed by CIA in Mexico City CD 631 - re: CIA dissemination of information on Oswald CD 674 - Info given to the Secret Service but not yet to the Warren Commission (Secret) CD 692 - Reproduction of CIA official dossier on Oswald CD 698 - Reports of travel and activities of Oswald & Marina CD 871 - Photos of Oswald in Russia (Secret) CD 931 - Oswald's access to information about the U-2 (Secret) CD 943, "Allegations of Pfc. Eugene Dinkin re Assassination Plot"; and CD 971, "Telephone Calls to U.S. Embassy, Canberra, Australia, re Planned Assassination." CD 1054, "Information on Jack Ruby and Associates"; CD 1216 - Memo from Helms entitled "Lee Harvey Oswald" (Secret) CD 1222 - Statements by George de Mohrenschildt re: assassination (Secret) CD 1273 - Memo from Helms re: apparent inconsistencies in info provided by CIA (Secret) CD 1551, "Conversations Between Cuban President and Ambassador"; All I am trying to learn at this point is the current status and availability of these Warren Commission documents. It seems a fairly simple matter, but as yet, I have not been able to find the answers. Thank you for any assistance, Sincerely, Garby Leon 1865 N.
