**Subject:** Assassination Records Review Board advisory, letter from the Chairman, and Federal Register notice.  
 ASSASSINATION RECORDS ADVISORY/TKIL 23, 1996 CONFIDENTIAL: UOMI SAIMULUK(202) /24-0088, EX1.  
 227January 5, 1996 Review Board MeetingThe Assassination Records Review Board released 72 CIA, FBI,  
 House Select Committee on Assassinations (HSCA), and Warren Commission documents relating to the  
 assassination of President John F. Kennedy. The Board voted to open 68 of these documents on January 5,  
 1996. Four HSCA documents released with this group were voted on at the Board's November 1995  
 meeting.The Review Board released 34 CIA documents, two in full and 32 in part. These documents relate to  
 the CIA's post-assassination investigation of Lee Harvey Oswald. The Board voted to release 21 of these CIA  
 documents at the January 5th meeting, but reconsidered them at its March 19, 1996 meeting after receiving  
 additional evidence from the CIA. When the issue in these documents was disclosure of the originator of the  
 cable, the Board voted to use the following substitute language "CIA Installation in Northern Europe (or  
 "South Asia" (followed by a designated number). Also released by the Board were six FBI documents  
 in full. These documents relate in part to the Bureau's interest in New Orleans District Attorney Jim  
 Garrison's investigation into the assassination of President Kennedy.In addition, the Board released 23  
 HSCA and five Warren Commission documents in full. These documents were previously available but  
 contained redactions based on privacy grounds. Four additional HSCA documents from the Board's  
 November 1995 meeting, which had not previously been processed, are also now available. The original  
 documents being released have been transferred to the National Archives and Records Administration for  
 inclusion in the President John F. Kennedy Assassination Records Collection, which is housed at the National  
 Archives facility in College Park, Maryland.January 31, 1996 Review Board MeetingThe Assassination Records  
 Review Board released 180 CIA, FBI, House Select Committee on Assassinations (HSCA), and Warren  
 Commission documents it voted on at its January 31, 1996 meeting.The Review Board released 72 CIA  
 documents, three in full and 69 in part. These documents relate in part to the Agency's post-assassination  
 investigation of Lee Harvey Oswald, including Oswald's trip to Mexico City in the fall of 1963, only weeks  
 before the assassination of President Kennedy. The Board voted to release 28 of these CIA documents at the  
 January 31st meeting, but reconsidered them at its March 19, 1996 meeting after receiving additional  
 evidence from the CIA. When the issue in these documents was disclosure of the originator of the cable, the  
 Board voted to use the following substitute language "CIA Installation in Northern Europe (or "South  
 Asia" (followed by a designated number). Also released by the Board were 81 FBI documents (including  
 duplicates), 20 in full and 61 in part. These documents relate in part to the FBI's post-assassination  
 Record
