Subject: New Contact

Body: Hi Eileen,I just wanted to let you know that after May 31, I will not be at West Publishing anymore. I've decided to move to sunny Arizona, and get away from these nasty winters! There is another girl who will be taking my place, so she can start receiving the faxes and emails of the press releases. She doesn't have an email address yet, so until I can set her up with one, everything can still be sent to me. I'll give you a call before the 31st, and give you all of her information and see if you have any questions. Talk to you later.Jen
