Subject: Response to Garb Leon

Please send the following response to Garb Leon: Thank you for your message. The Board has received thousands of leads regarding the potential existence of assassination records. We carefully review all of the information. The recent news article on Claude Barnes Capehart will be reviewed by the appropriate Board staff members. The Review Board has not dealt with any records related to this individual, to the best of my knowledge. As a matter of policy, the Board does not discuss specific communications with other agencies relative to specific records in which we may be interested. However, as I am sure you are aware, all records on which the Board votes are noticed in the Federal Register. We also do mailings on every group of documents voted on by the Board. In addition, all of the records of the Assassination Records Review board will become part of the JFK Collection. Again, thank you for your message and the article.
