Subject: JFK's Trips in 1963

Dear Ms Sullivan, Thank you for the prompt response to my letter of 29 July. I shall try to help you insofar as I can. This past weekend I attended a meeting in Liverpool, England and at the event one individual made the statement about the ARRB prosecuting an employee who had destroyed Secret Service records. Apparently, he received the information from a contact in the USA. I do not have any further details but will try to obtain further information and let you know. Thank you for putting the matter straight, I will pass the message on. Is it possible to obtain a copy of the ARRB report for FY (Fiscal Year ??) 1995? Do you have any information as to the progress made by the Board in its investigation of the matter? I thank you for letting me know that the relevant reports did not refer to the President's trip to Dallas. I was wondering whether they related to his trips to Chicago on 2/11/63 or to Tampa, FL on 18/11/63. Perhaps you would kindly let me know? Once again thanks for your trouble. Should I find anything further I shall write again. Kindest regards, Paul Byrne
