Thanks.(rest of exchange preserved below.)These photos are listed in an FBI doc released in 1977 on microfilm - date of document is 3/20/64, by SA Richard L. Wiehl & SA Wallace R. Heitman. File# DL 100-10461.The full copy is printed in the Sept 1995 issue of Probe magazine which the board receives. If anyone there cannot find a copy - I'd be happy to send them one. There are 11 pages listing some of the known and at least at that point existing photos relating to Lee Harvey Oswald, Marina, the Paine's, etc.There are many who feel the photos are as important as the worded documents. I hope the board can help. Thanks. :)> > Sincerely,> > Eileen Sullivan> > To: Eileen_Sullivan @ jfk-arrrb.gov (Eileen Sullivan) @ internet> cc: (bcc: Eileen Sullivan/ARRB)> From: lpease @ netcom.com (Lisa Pease) @ Internet @ WORLDCOM > Date: 07/29/96 08:16:11 AM CDT> Subject: Re: list of photos (fwd)> > > I'm passing this along - I don't know who is spreading the rumor that I > am "in touch frequently" with you - it's not me!! :) Anyway, if you have > anything you can tell Jack (all of us, really) we'd all appreciate it > very much.
