Subject: Response to Jack White (Hard Copy and Document to Send on Your Desk)
Please draft a letter to Jack White with the following draft language included: This letter is in response to your e-mail to me dated August 13, 1996 regarding HSCA document number 180-10090-10295. A copy of the document is enclosed for your information. This document (which is a photocopy of three photographs) was sent to the HSCA by the Miami Police Department. It was erroneously referred to the FBI when the documents were being processed by the National Archives and Records Administration. The FBI never did anything with regard to this document. This referral to the FBI should not have occurred because the FBI had nothing to do with the document. While reviewing HSCA records that have not been released, the Review Board staff person responsible for these documents noticed this document and the incorrect referral. It is now being processed and the document will soon be sent to the National Archives for inclusion in the JFK Collection. The copy enclosed is provided as a courtesy. etc., etc.
