**Subject:** Draft of Jack' Article for Assassination Archives and Research Center Quarterly(Hard Copy in Tour "In" Boxes)  
Kevin Walsh ,547-8214, asked me to get him something from Jack for the next edition of their journal. I drafted the attached piece for Jack. I have tried to address things that Kevin had mentioned and on which we have gotten a lot of inquiries. You will recognize some of the language from other things we have written. Kevin asked for this by this Friday, August 30th. I told him we would have it to him by then. Please review and edit and give to Eileen to finalize. Eileen should call Kevin and ask him if he wants to pick it up or have it faxed (fax: 673-9333).Thanks.
