Dear Ms Sullivan, Many thanks for letting me have a copy of the 1995 Report, it makes very interesting reading. Yourself, the Board and all your colleagues deserve congratulation for the efforts you have made and continue to make on our behalf. Please keep up the good work. May I trouble you for yet more assistance one more time ? I note with interest the report's reference to the Experts Conference held at the Washington offices on 16 May, 1995. Would it be possible to have a copy of the transcript of that session? In addition, I would be interested in securing the " detailed, follow-up worksheet listing more than 300 references to assassination records or categories of records to be pursued " later compiled by the Board and referred to in the report. (Page 12). Finally, my eye has latched onto the session held in the Earle Cabell Building in Dallas on 18 November, 1994. (Page 18). Could you possibly let me have the written submissions provided on that occasion by Lamar Waldron and Mary Ferrell. Your assistance yet again would be most welcome. Sincerely, Paul Byrne
